Study options for UoL Exchange Students

Study for either one or two semesters at XJTLU. The programme you study will be a direct transfer from your programme at UoL.

The following disciplines will be offered to students of UoL studying at XJTLU for the academic year 2013-14:

- Architecture
- Biological Sciences
- Business, Economics and Management (Accounting, Economics, Marketing)
- Civil Engineering
- Computer Science and Software Engineering
- Electrical and Electronic Engineering
- Mathematical Sciences (Financial Mathematics)

“I thought the University of Liverpool Exchange Programme was right for me because of the number of opportunities available such as gaining more international experience, learning Mandarin, meeting people from all walks of life, experiencing Chinese culture and travel around China.

Studying at XJTLU has helped me develop more independent research and will be very helpful once I return to Liverpool.”

*Ruth,
Electronic and Communication Engineering,
University of Liverpool Exchange Student*

Chinese Language Studies

You will also have the option to study Mandarin Chinese for up to 15 UoL-equivalent credits per semester.

- **Small class teaching**
- **Highly-qualified teaching staff**
- **Option for credit transfer back to your UoL programme**
- **Dedicated Chinese language partner**

Life in Suzhou

Suzhou has something for everyone.

- Excellent sports facilities around campus, including gyms and swimming pools
- Multinational supermarkets including Wal-Mart, Tesco, Auchan and Freshmart
- Many Chinese and International restaurants
- Large shopping malls selling international brands such as Zara, H&M and Uniqlo
- A great choice of bars and nightclubs
- Cinemas showing the latest blockbusters

Accommodation

XJTLU offers high-quality affordable accommodation for all of our international students.

Students will have the option to stay in a studio, two, or three-bedroom apartment, located just 10-20 minutes walk away from campus.

All apartments have a living room, dining area, kitchen and bathroom. Each comes fully-furnished and is equipped with a microwave oven, fridge, stove, washing machine, television and air-conditioning.
